

CALLER CONTEST IS NOW GOING AT HIGH TENSION

(Continued from Page One.)

really worked—perhaps less than six weeks. It will probably develop that some of the contestants have put less than four weeks of time on the race, but unless those few weeks have been diligently spent in securing votes, the contestant cannot hope to win the big premiums.

That Talking Machine.

The Victor Talking Machine, which is the special premium this week to the ladies, either within or outside of Corpus Christi, is a premium one can well be proud of. The actual cost of this splendid machine, equipped with oak horn, is \$51.00. Although this Victor Talking Machine is to be given away to the lady turning in the largest number of new yearly subscriptions this week, the machine will remain in the Gunst Piano Store on exhibition until the close of the contest on December 23, when the winner will be announced.

Bicycle for Christmas.

The child's bicycle which will be presented by Noakes Brothers to the contestants in the children's race, for the largest number of new daily subscriptions turned in during this week to The Caller, will make a most desirable present for some child for Christmas. This bicycle which is now in the display window of Noakes Brothers' Sporting Goods House, next door to The Caller office, is of standard make and sells for \$25.00 cash. While looking at the bicycle do not fail to notice the large assortment of models in air rifles in the same show window with the bicycle.

The new model 55-T Overland passenger touring car, which is the Capital Premium in The Caller's Great Popularity race, is now on exhibition at the garage of C. C. Chadwick & Co., on Williams street. Contestants and their friends are invited to call and thoroughly inspect the new car.

On account of the muddy weather, little "Prince" and his swell rig has not appeared on the streets recently, but the children can look for the Shetland turnout to be given away as a special children's premium, within the next few days. Some child is going to be made happy upon receiving this swell Shetland turnout, but no child need expect to receive so handsome and valuable a premium unless there is a strong and energetic campaign for votes behind the contestants. The children outside of Corpus are making a strong race for "Prince" and they

are going to continue making a strong race until the very hour of the closing of the contest, on December 23, 1911.

SPECIAL RULING.

All money sent to The Caller this week by contestants living outside of Corpus Christi will be counted for special premiums and extra voting coupons if the envelope in which the votes are mailed bears a postmark prior to 6 o'clock p.m., Dec. 16. This gives those contestants living outside of Corpus Christi an opportunity to work up to the last minute.

Capital Premium.

The beautiful Overland touring car will be the first 1912 model of its kind to arrive in Corpus Christi, and a more splendid selection could not have been made for a Capital Premium. It is fully equipped with top and windshield and sells for \$1,050.00.

This car is believed by many automobile experts to surpass any other car on the market for a like price. It is classy, with many valuable improvements over last year models. The same car made last year by the Willys-Overland Co. was 26 horse-power with 192-inch wheel base. The 1912 model is full 36 horse-power and has a 196-inch wheel base, and is a much roomier car, selling for \$220 less money than last year's model. This car is guaranteed by the Woodward Carriage Company of San Antonio, who are district agents for this car in this section of the state.

This year there has been over 15,000 cars of the Willys-Overland factory output, already contracted for. This fact alone attests the popularity of the automobile the Caller is giving away as a Capital Premium. The Overland 55-T is the same of perfection for the price. It is simple, neat and requires but little time to put it in running condition.

Piano Grand Premium.

A beautiful piano of the famous Packard make, value, \$550.00, furnished by and now on exhibition at the C. C. Book and Stationery Co.'s store in this city will be presented, as the Caller's Grand Premium, to the lady inside or outside of Corpus Christi who receives the greatest number of votes next to the winner of the Capital Premium. This handsome instrument, Style 8, is made of handsomely figured walnut, is 4 feet

8 inches in height, is 2 feet 4 inches in depth, and is 5 feet 6 inches in length. This valuable premium alone is worth months of effort to secure.

Premium for Corpus Ladies.

Corpus Christi real estate is a very attractive investment just now, therefore The Caller has purchased an excellent residence lot 48x120 feet in the beautiful Bay View Addition No. 2, which will be presented to the lady living in Corpus Christi who receives the greatest number of votes next to the winning of the Capital Premium. The lot to be given faces east, and is only 220 feet from the street car extension to be made within 60 days.

Several pretty residences are being built near the lot offered which is lot 6 in block 8. This lot, valued at

\$250.00, is one of the holiest buildings sites in Bay View Addition No. 2,

which is being handled by the real estate firm of Sexton & Bouvier. The Bay View Addition No. 2 is one of the most attractive residence additions in Corpus Christi.

First Premium to Outside Ladies.

A pure white and flawless diamond weighing 1 1/2 carats less 2-1/2, set in a solid gold ring and valued at \$225.00, will be presented to the lady outside of Corpus Christi who receives the greatest number of votes next to the winner of the beautiful \$550 Packard Piano. This beautiful gem will be furnished and exhibited by The Stamps, the reliable jewelers of this city.

Second Premium to Outside Ladies.

A complete scholarship, in the well known San Antonio Business College, value \$75.00 and \$50.00 cash for expenses, of a pure white and flawless diamond set in a ring, value \$125.00, will be presented to the lady outside of Corpus Christi who receives the second greatest number of votes to the winner of the Packard Piano.

The premiums are worth many times the effort that must be expended to win them.

"Prince" and the Runabout.

This high-bred, genuine Shetland pony, registered as an animal of the first class is a perfect pet and child's playfellow. Just as playful as a kitten, has plenty of curiosity and is very independent.

The little runabout that goes with this outfit is a most excellent vehicle and is capable of carrying a load as heavy as the large size buggies. We invite any who may be interested to call and examine it.

Following is the vote standing as counted at 6 o'clock last night:
